SPEEAD

SPORTING **P**ROSTHETICS for **E**VERYDAY and **E**LITE **A**THLETES with a **D**ISABILITY

- Would you like to increase your awareness about participation in everyday and competition level sports?
- Are you a professional involved in the rehabilitation of those who use lower limb prostheses?
- Or are you a prosthetic user with a sporting interest or current involvement in sports?
- Would you like to be more knowledgeable about sporting prosthetics?
- Would you like to understand more about current sporting prosthetics issues?

IF THE ANSWER is “**YES**” to any of these then the
SPEEAD PROJECT COULD EMPOWER YOU
